INTRODUCING The NBS Web Portal

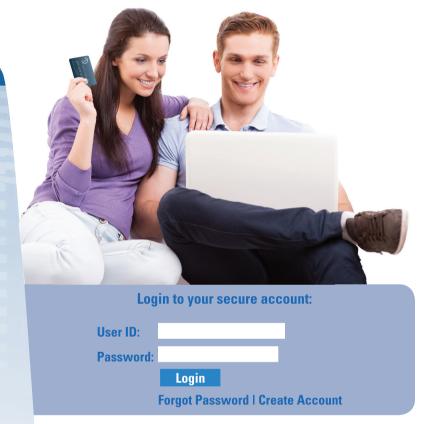

National Benefit Services is excited to announce upcoming enhancements to our Flexible Benefit systems with our NEW online NBS Web Portal.

Features of the Portal:

- Interact with balances, summaries, and highlights of all your benefit accounts
- Get detailed transaction history, showing all deposits and payments of each account
- Track all of your medical expenses using a claims manager, and take advantage of our easy-to-use claim entry and reimbursement request
- Report your debit card as lost or stolen and order a new card
- Stay up-to-date with announcements and communications from both NBS and your plan sponsor
- Use our convenient annual open enrollment online, eliminating the need for hard copy enrollment forms
- Take advantage of endless informational resources, such as calculators, videos,

Note that the availability of these features may vary, depending on your plan set-up and employer preferences.

You will receive more information about when these new features will become available, when to expect your new debit card, and instructions to set up your login and password for the new website. Until then, please continue to utilize your current benefit card and account access options.
